

OPENING of a THREE YEARS POST-DOCTORAL position in MATHEMATICS at the DEPARTMENT OF MATHEMATICS, UNIVERSITA' DI ROMA "TOR VERGATA" within the project FIRBS-IDEAS relative to the program: "GEOMETRICAL ASPECTS IN PDE s", starting September 1<sup>st</sup>, 2009.

The Department of Mathematics of the UNIVERSITA' DI ROMA "TOR VERGATA" announces the opening of a three years post-doctoral position in Mathematics starting September 1st 2009, in the Area of Nonlinear PDE s within the FIRBS-IDEAS program: "GEOMETRICAL ASPECTS IN PDEs".

For the position are eligible all junior mathematicians with expertise in the area of NONLINEAR PDE and their applications in Geometry and Physics.

All candidates are requested to hold a Ph.D. degree in Mathematics / Physics ( or equivalent degree) or expected to be awarded a Ph.D . ( or equivalent degree) within the current academic year.

The position will entitle to a monthly salary of Euro 3.694,44 (before taxes). Candidates who do not have their residence in Italy, may be eligible for a tax waiver on a large percentage of such income.

The position comes equipped with travelling funds and a reasonable budget for hosting visitors and collaborators.

Applications should be sent via e-mail to the project coordinator Prof. G. Tarantello ([tarantel@mat.uniroma2.it](mailto:tarantel@mat.uniroma2.it)) and to the Chairman D. Marinucci ([marinucc@mat.uniroma2.it](mailto:marinucc@mat.uniroma2.it)) including a Curriculum Vitae of the Candidate, and the indication of at least three Referees that should send separately their Letter of Recommendation at the same e-mail addresses indicated above.

Deadline for applications is April 30<sup>th</sup>, 2009.

Please use the Application Form available at the link:
