

Applications are invited for post-doctoral positions in Percolation, Particle Systems, and Stochastic Networks.

Please feel free to forward this message to other colleagues and potential candidates.

The positions last two years and have a monthly stipend of around 19600ARS, to start in April 2018.

Candidates should send a complete application to probab@dm.uba.ar by June 15, attaching:

- CV
- Motivation letter
- Research statement

Two recommendation letters should be sent confidentially to probab@dm.uba.ar by June 20.

Information on the group activities and projects can be found at

<http://mate.dm.uba.ar/~probab/>

Thank you in advance,
Buenos Aires Probability Group
