A 2-year post-doc position at CRM, Barcelona

The Centre de Recerca Matemàtica (CRM), Barcelona, is happy to announce a 2-year postdoctoral position in the Collaborative Mathematical Research programme. The programme is funded by La Caixa Foundation and the position involves participation in a collaborative project with scientists from other disciplines.

The appointment will be made in one of the following Groups:

Complex Systems (Alvaro Corral, acorral@crm.cat)

Computational and Mathematical Biology (Tomas Alarcon, talarcon@crm.cat)

Computational Neuroscience (Alex Roxin, aroxin@crm.cat)

Industrial Mathematics (Timothy Myers,

tmyers@crm.cat)

Mathematical Epidemiology (Andrei Korobeinikov,
akorobeinikov@cr.cat)

(Applicants are encouraged to indicate one several groups of their choice in application.)

The Centre website: www.crm.cat

Position description and general guidelines:

http://www.crm.cat/SiteAssets/Lists/Noticies/EditForm/News_Collaborative%20Mathematical%20Research.pdf

How to apply:

http://www.crm.cat/SiteAssets/Lists/Noticies/EditForm/Seventh_Call.pdf

Application deadline is the 24th of October, 2016.

Applicants should be available for interviews (possibly via Skype) from November 2 onwards. We expect that the successful candidate will be able to start on the January 1st of 2017, or as soon as possible thereafter.

Applicants are encouraged to address questions regarding scientific projects or conditions of employment directly to the group leaders. Questions regarding application procedure also can be addressed to Ms Consol Roca croca@crm.cat.
