Subject: BGSMath postdoctoral positions

Dear colleagues,

The Barcelona Graduate School of Mathematics (BGSMath) opens a call for two postdoctoral positions in the areas:

1. Algebra, Combinatorics, Geometry and/or Logic.
2. Analysis, Dynamical Systems, and/or Probability Theory.

Successful applicants will join the BGSMath research group of their choice in one of the five BGSMath institutions in Barcelona: Universitat Autònoma de Barcelona, Universitat de Barcelona, Universitat Politècnica de Catalunya, Universitat Pompeu Fabra or Centre de Recerca Matemàtica.

We summarize the details of the call which can be found at <http://bgsmath.cat/bgsmath-postdoctoral-call-2017-2019/>

- Two year contracts.
- Annual gross salary of 26.250€, plus 2000€ mobility (to be provided by the research group)
- Requirements: To hold a Ph.D. degree at the time of application and at least two years of doctoral or postdoctoral experience outside of Catalonia.
- **Deadline: January 8th**

Please distribute this information among colleagues and potential candidates.

Best regards,  
BGSMath
