Bernoulli Society New Researcher Award 2023

The Bernoulli Society welcomes applications to the New Researcher Award 2023. Each awardee shall deliver a talk at a special invited session during the ISI World Statistics Congress Conference to be held in Ottawa, Canada, July 15-20, 2023, and will receive a funding up to 1000€ to offset travel and other expenses. Bernoulli News will publish their pictures and a paragraph about their work.

Eligible candidates are active researchers in Mathematical Statistics who obtained the Ph.D. degree on or after March 15th, 2017, and who are regular members of the Bernoulli Society. An extension may be given to those having had disruptions after receiving the Ph.D., such as parenthood.

Candidates should apply through the webform <https://forms.gle/yQg8F6fDx7qLLCAMA> and send the required documents to the e-mail address indicated in the form.

Deadline: March 15th, 2022
