

## International Call for Research

Professors

The Basque Centre for Applied Mathematics (BCAM)

<http://www.bcamath.org>, together with Ikerbasque, the

Basque

Foundation for Science <http://www.ikerbasque.net>,

invites applications for one Research Professor position

in

Computational Fluid Dynamics and one Research

Professor position in Data Science. This Research

Professor

call offers permanent contract positions for

experienced researchers.

We encourage immediate applications as the selection process will be ongoing. All applications must be submitted on-line at: <http://www.bcamath.org/en/research/job>

BCAM is a young research centre that is facing its consolidation phase. In this sense, the scientific strategy of the Centre is based on three Scientific Platforms that have been set up in order to establish an interdisciplinary system capable of facing the challenges of Mathematical Science in a broad manner by bringing together Mathematics, Engineering and Sciences:

- \* Core in Applied Mathematics: PDE, Numerical Analysis, Fourier Analysis, Algebraic Geometry, Probability

and Statistics.

- \* Computational Mathematics: Modeling and computer simulations using numerical, stochastic and Monte Carlo methods.

\* Applications of Mathematics to Industry, Social Sciences and Health Sciences.

Candidates should provide:

- \* CV
- \* Letter of interest, including your research interest.
- \* 2 recommendation letters (additional references may be requested during the evaluation)
- \* Statement of past experience (2-3 pages). Please, highlight your main results.
- \* Only researchers with a strong record of research will be considered. Women candidates are especially welcome.

We kindly ask you to distribute this call among colleagues and potential candidates. Please, do not hesitate

to contact us if you need further information:
