

PhD positions, School in Mathematics of the University of Bologna

The PhD School in Mathematics of the University of Bologna has an open call for new students beginning the program in Fall 2022, with **deadline June 9, 2021 at 12:59 (Rome time)**. More information is here:

<https://www.unibo.it/en/teaching/phd/2022-2023/mathematics>

and here

<https://phd.unibo.it/matematica/en/phd-programme>

All enrolled students will have a scholarship supporting their stay in Bologna.

The Math Dept welcomes strong students from all countries, and offers them the opportunity of training in research with experts in a number of areas.
