

Subject: A 2-year postdoc position

From: Andrei Korobeinikov <akorobeinikov@crm.cat>

Date: Mon, 1 Feb 2016 16:29:17 +0100

The CRM welcomes applications for one 2-years postdoctoral position within the programme of Collaborative Mathematical Research. The collaborative projects proposed in this call are in one of the

following groups:

Complex Systems.

Industrial Mathematics.

Mathematical Epidemiology.

Computational and Mathematic Biology.

Computational Neuroscience.

Financial Mathematics and Risk Control.

To apply for a position, please send to crmcalls@crm.cat

an email with

the following information: name, personal address, email and phone number.

The application package should include a CV, academic records, incorporating, if possible, the computation of the average grade and a motivation letter.

A minimum of one and a maximum of three hosting CRM research groups have to be chosen, indicating preferences in the motivation letter, if any.

The applicant should arrange for two referees familiar with her/his work to send a reference letter to crmcalls@crm.cat before the deadline.

The deadline to submit an application is February 26, 2016

Applicants should be available for interviews (possibly via Skype) from March 7 onwards.
