

Subject: Faculty Positions in Chile

From: erwin Hernandez <[erwin.hernandez@usm.cl](mailto:erwin.hernandez@usm.cl)>

Date: November 13, 2015

Universidad Técnica Federico Santa María, Valparaíso,  
Chile

Department of Mathematics

<http://www.mat.utfsm.cl>

Two faculty positions

Applications are invited for two faculty positions at all  
ranks in the

Department of Mathematics (DMAT) within the

Universidad Técnica

Federico Santa María, Valparaíso, Chile.

Deadline: January 4, 2016

Send applications or ask for further information to

[postulaciones.rrhh@usm.cl](mailto:postulaciones.rrhh@usm.cl) and

[andrea.costagliola@usm.cl](mailto:andrea.costagliola@usm.cl)

Desired skills and experience: Successful candidates  
must possess a

Ph.D., be eligible to work in Chile, and have excellent

communication skills in Spanish. Candidates should also demonstrate abilities in high quality research for competitive funding, teaching both undergraduate and graduate courses, advising PhD students, and providing appropriate service to the department, university and the profession. The department is seeking applicants with particular interest in Numerical Analysis, Differential Equations, Statistics, Complex Geometry, Optimization and Dynamical Systems. Interested applicants should submit a curriculum vitae (CV), cover letter, two letters of recommendation, copy of PhD and other grades, more relevant publications, and statement of research interests.

About the employer: Universidad Técnica Federico Santa María, in Valparaíso, Chile, is one of the top engineering universities of Chile

(listed among the top 300 universities according to Times Higher Education Ranking 2014-2015). The Department of Mathematics is the responsible of Math courses for different Engineering programs and has its own undergraduate (BS Math, Mathematical Engineering) and graduate (Master and PhD) programs.
