

Subject: Faculty Position, Colorado School of Mines  
From: Verónica Graves <[vgraves@mines.edu](mailto:vgraves@mines.edu)>  
Date: October 16, 2015

Colorado School of Mines  
College of Engineering and Computational Sciences  
Department of Applied Mathematics and Statistics  
Open Rank Faculty Position

The Department of Applied Mathematics and Statistics at the Colorado School of Mines (Mines) invites applications for an open rank faculty position in applied mathematics. Multiple appointments or appointment at a more senior level may be considered for exceptional candidates. We seek candidates excited to share in our mission to address the challenges of a sustainable global society by educating the next generation of leading engineers and scientists and by expanding the frontiers of knowledge through research. Preference will be given to

those with expertise commensurate with departmental needs in applied mathematics research and teaching. Faculty research areas in the department are: applied mathematics, applied analysis, computational mathematics, numerical analysis, and statistics.

For the complete job announcement, full statement of qualifications and directions on how to apply, visit:
