Date: November 12, 2019

The Department of Mathematics within the College of  
Liberal Arts and

Sciences at the University of Connecticut invites  
applications for a

full-time faculty position at the rank of Full Professor in  
Mathematics beginning in Fall 2020. Priority will be given  
to

researchers in applied or computational mathematics,  
with strong

interdisciplinary activity. The successful candidate  
would be expected

to have a vigorous externally funded research program  
and to teach

undergraduate and graduate courses in the mathematics  
department.

Candidates currently holding Associate Professorships  
are also

encouraged to apply. Minimum Qualifications: A Ph.D.

or an equivalent foreign degree in mathematics or a closely related area. Demonstrated evidence of excellence as an educator and a well-funded research program.

Preferred Qualifications: An outstanding research program in applied or computational mathematics, with a strong interdisciplinary component. Appointment Terms: This position is a full-time, nine (9) month position with a start date of August 23, 2020. Salary will be commensurate with qualifications and experience. To Apply: Please apply online at MathJobs (<http://mathjobs.org>). Submit a cover letter, curriculum vitae, description of research program, statement of philosophy as educator and scholar, and at least four letters of reference, one of which addresses the applicant's teaching.

Only complete applications with all required materials will be considered and reviewed. Evaluation of applications will begin immediately and will continue until the position is filled. Questions or requests for further information should be sent to the Hiring Committee at [mathhiring@uconn.edu](mailto:mathhiring@uconn.edu).
