

Subject: Tenure Track Positions for Women, Univ of Groningen

From: Fred W. Wubs <f.w.wubs@rug.nl>

Date: January 12, 2017

The University of Groningen, The Netherlands, invites female researchers to apply for a tenure track position in a range of subject areas, among which mathematics. Details can be found on the website

<http://www.rug.nl/about-us/work-with-us/job-opportunities/overview?details=00347-02S000590P>

In addition to the text on the website, the research subject can be in any area of mathematics including applied mathematics. Moreover, based on experience and track record, the candidate may also be appointed at associate level or even full level. **The deadline for application is January 31, 2017.**
