Subject: Borsa di Studio per PhD in Econometría a  
RHUL

A vacancy has arisen for a fully funded PhD scholarship at Royal Holloway University of London:

<https://www.royalholloway.ac.uk/economics/news/newsarticles/201516/leverhulme-magna-carta-doctoral-scholarship-in-econometrics.aspx>

We shall accept new applications even though the deadline is long past. The position has to be filled urgently. Interested candidates are advised to send an email with CV to [alessio.sancetta@rhul.ac.uk](mailto:alessio.sancetta@rhul.ac.uk) (Prof. Alessio Sancetta) as soon as possible.

The scholarship will only apply to EU citizens. The ideal candidate is required to be have an interest in financial markets, be comfortable with statistical analysis/econometrics, and capable or willing to learn how to

program in Matlab or Python. The natural progression from such a PhD is academia or the private sector, e.g., trading firms or data analytics.

Prof. Francesco Feri  
Chair of Economics  
Department of Economics  
Royal Holloway University of London
