Date: November 19, 2015

The International Centre for Theoretical Sciences (ICTS), Tata

Institute of Fundamental Research (TIFR) is inviting applications for

postdoctoral positions (<https://www.icts.res.in/news/details/199/>) in

theoretical physics, interdisciplinary and applied mathematics,

computational science, astronomy, theoretical physical chemistry,

theoretical physical biology and related fields.

Individuals who have

submitted their doctoral thesis are also encouraged to apply. The

positions are nominally for two years from the time of joining with

possibility of extension for the third year. In addition to regular

positions, ICTS offers prized postdoctoral fellowship positions

(SIMONS: <https://www.icts.res.in/news/details/198/>

and AIRBUS:

<https://www.icts.res.in/news/details/197/>) for highly

deserving

candidates.

Interested candidates can apply online at:

[https://forms.icts.res.in/postdoc\\_app/](https://forms.icts.res.in/postdoc_app/) with their CV,

list of

publications, a research proposal (not more than two pages) and a

covering letter (PDF). The applicants also need to

arrange at least

three recommendation letters sent directly to the ICTS.

The nominal

deadline is December 15, 2015; but applications will be considered

until the positions are filled. The nominal starting date of September

1, 2016 is negotiable. Informal queries may be addressed to the ICTS

faculty.

Deadline: December 15, 2015
