

From: Julyan Arbel <[julyan.arbel@gmail.com](mailto:julyan.arbel@gmail.com)>

We are seeking a postdoc candidate interested in applying Bayesian inference to extreme value theory.

Applications will be accepted until the position is filled.  
The starting date is flexible, from October 1st, 2017 onward.

For more info see: <https://doctorat.campusfrance.org/en/CF20172480>

or contact me (Julyan Arbel, [julyan.arbel@inria.fr](mailto:julyan.arbel@inria.fr)) or Prof. Stéphane Girard ([stephane.girard@inria.fr](mailto:stephane.girard@inria.fr)).

A general overview of the stats group at Inria can be found at <https://team.inria.fr/mistis/members/>
