

Subject: Chair Position, Applied Math, Illinois Institute of Technology

From: Shuwang Li <sli@math.iit.edu>

Date: October 21, 2016

The Department of Applied Mathematics at the Illinois Institute of Technology (IIT) seeks a dynamic individual to serve as Chair beginning in the 2017-18 academic year. The department is vibrant and diverse and has experienced significant growth in faculty size, research funding, student enrollment and credit-hour production over the past decade. Active leadership is desired to manage continued growth, address resource allocation issues, and to increase ties to areas outside of academia. The candidate must have proven records of leadership in academic settings, strong research and publications, significant external funding, excellent interpersonal and

communication skills, and the ability to teach mathematical science courses at all levels.

Reviewing applications will start on December 1, 2016, and will

continue until the position is filled. For a complete position

description or to apply please visit:
