Subject: [Random] posizioni di post-doc e borse per  
studenti di master c/o  
centro Lebesgue

The Lebesgue Center invites to apply for post-doctoral positions in mathematics for a period of six months to a year (renewable once). The hired applicant will conduct his/her research at one of these Institutes: IRMAR (Rennes), LMJL (Nantes), LMBA (Brest and Vannes), LAREMA (Angers).

The position is open to all research areas present within the four Institutes. It does not include an obligation to teach. The net salary will be 2 225 Euros per month.

Deadline: April 15, 2016.
