Date: Sat, 5 Jan 2019 13:21:22 +0000

A fully funded PhD position is available in the University of

Leicester (UK). The successful applicant will work under the

supervision of Prof. Sergei Petrovskii on mathematical modelling of

coupled plankton-oxygen dynamics under the climate change. The

duration of the project is 3.5 years (with a possible extension to

full four years). To be eligible for funding, the applicant must be a

UK or EU citizen.

Application closing date is 21st January, 2019

For all details of the project, please visit:
