

** 4 postdoctoral positions in Mathematics, Computer Science and interactions in Lyon & Saint-Étienne **

[The Excellence Laboratory Milyon](#) (Labex Milyon) opens the 2020 campaign of postdoctoral researchers in Lyon--Saint-Etienne in Mathematics, Computer Science and their interactions (including some aspects of theoretical physics).

Milyon offers four postdoctoral positions of two years with no teaching load for the period 2020–2022. The application is open to all research areas of the labex Milyon (see [here](#)).
