

**\*\* 3 postdoctoral positions in Mathematics,  
Computer Science and interactions in Lyon & Saint-  
Étienne: 2021 campaign Labex Milyon \*\***

The Excellence Laboratory Milyon (Labex Milyon) opens the 2021 campaign of postdoctoral researchers in Lyon--Saint-Etienne in Mathematics, Computer Science and their interactions (including some aspects of theoretical physics).

**Milyon offers three postdoctoral positions of two years** with no teaching load for the period 2021–2023. The application is open to all research areas of the labex Milyon (see [here](#)).
