

Subject: Tenure Track Position, Dynamical Systems,
McGill Univ.

From: Tony Humphries <tony.humphries@mcgill.ca>

Date: September 25, 2016

The Department of Mathematics and Statistics at McGill
University

invites applications for a tenure-track position in
applied

mathematics. The Department expects to appoint at
the Assistant

Professor level, but more senior applicants would also
be considered.

The appointment is expected to be in the broad area of
dynamical

systems. Applicants should have a strong analytic and
numerical focus

and an active interest in problems driven by applications.

Candidates must have a doctoral degree at the date of
appointment, and

must have demonstrated excellence in mathematical
research. They must

also have the desire and potential to contribute to the educational programs of the Department at the graduate and undergraduate levels.

Applications should be made through MathJobs.Org

(Position ID:

DYNSYS). Review of applications will begin on 31

October 2016 and will

continue until the position has been filled. For further details see

<http://www.mcgill.ca/mathstat/contact/open-tenure-track-positions-department>

McGill University is committed to diversity and equity in employment. It welcomes applications from: women, Aboriginal persons, persons with disabilities, ethnic minorities, persons of minority sexual orientation or gender identity, visible minorities, and others who may contribute to diversification. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration

requirements, Canadians and permanent residents will
be given
priority.
