

Subject: Postdoc position, Analysis of PDEs, Radboud University, Nijmegen, NL

From: "Sonner, S. (Stefanie)" <Stefanie.Sonner@ru.nl>

Date: Wed, 5 Aug 2020 12:23:18 +0000

We invite applications for a 3-year postdoc position in the analysis of PDEs at Radboud University in Nijmegen, the Netherlands. The project addresses quasilinear parabolic equations arising in the modelling of biofilms. The interested candidate should have a background in nonlinear PDEs and/or reaction-diffusion systems.

The application deadline is 20 September 2020.

For further information and to apply, please see:
