Subject: Postdoc position at Orsay

Dear Colleagues,

The mathematics department of University Paris-Sud (Orsay)

is advertising a 2-year postdoctoral position in probability

starting in September 2017 (dates are somewhat flexible).

This position is funded by the ERC Advanced Grant GeoBrown to work under the supervision of Jean-François Le Gall and Nicolas Curien in the general area of random geometry (including random graphs and related topics).

More details are available on the Web page

<https://euraxess.ec.europa.eu/jobs/218848>

The deadline for application is July 15, 2017.

Sincerely yours,

Jean-François Le Gall
