

Call for PhD positions at University of Oslo

This is to draw your attention to the call for two PhD positions at the University of Oslo in stochastic analysis and its applications to finance, insurance, energy and risk.

Specifically one position is in the scopes of to the project STORM

"Stochastics for Time-Space Risk Models"

<http://www.mn.uio.no/math/english/research/projects/storm/index.html>

Description and call:

<https://www.jobbnorge.no/en/available-jobs/job/149487/phd-research-fellowship-in-stochastics-for-time-space-risk-models>

The other one is in Stochastic Analysis and its Applications

Description and call:

<https://www.jobbnorge.no/en/available-jobs/job/149496/phd-research-fellowship-in-stochastic-analysis>

For both the deadline of application is April 15th, 2018.

You can also find a number of other open positions that can be interesting for a wider audience:
