

The Department of Mathematics of the University of Padova just issued a call for 2 research grants (Assegni tipo B) in all areas of Mathematics, with these features:

- amount: about 30K Euro/year for 2 years + 5K Euro for scientific activity (invitations, conferences, etc.);

- requested title: PhD, not necessarily in Mathematics;

- deadline for application: 21/6/2017;

- official announcement:
