

Subject: Assistant Professor Position, Mathematical Sciences, RPI

From: Bill Henshaw <[henshw@rpi.edu](mailto:henshw@rpi.edu)>

Date: August 23, 2016

Applications are open for a tenure-track assistant professor in the Department of Mathematical Sciences at Rensselaer Polytechnic Institute, Troy, NY USA.

Of particular interest are candidates whose work involves one or more of the following areas: modeling and simulation of complex systems, stochastic modeling and statistical inference, inverse problems, mathematical biology, and mathematical approaches to extracting information from large data sets (optimization, data mining, machine learning, imaging, bioinformatics, geoinformatics, etc.)

For more information see the announcements section on the Math web
