

The Institute of Mathematics and Statistics at the University of Sao Paulo, seeks candidates for one post-doctoral position through the National Programme for Post- Doctoral Scholarships (CAPES, Brazil). The scholarship is allocated to the

Statistics and Probability Program

(<https://www.ime.usp.br/en/statistics/graduate>).

We look for candidates with strong and proven research record and potential. Possible interaction with the research groups of the Institute may be an advantage. Please see the research areas link

<https://www.ime.usp.br/en/research/lines/statistics>.

The scholarship consists of a monthly payment of 4100 Brazilian reals per month (tax-free money). The positions are initially for one year and may be renewed depending on progress.

The candidates are expected to send via e-mail the

following documents:

- Curriculum Vitae with a list of publications.
- Research project.
- Letter from an advisor of the Graduate Program in Statistics of the Institute of Mathematics and Statistics - USP qualifying the relevance of the project and demonstrating interest in collaborating with the candidate in its execution.
- Names and e-mail addresses of up to three researchers who can be contacted by the Graduate Program to send reference on the candidate.

**These documents should be sent to cpg@ime.usp.br with the subject "PNPD/CAPEs Statistics"

**Closing date: September 29, 2017.
