

Al Dipartimento di Matematica dell'Università del Sussex stiamo reclutando
in probabilità e statistica. Vi prego di diffondere l'annuncio se conoscete
persone interessate. I link
sono:

<http://www.sussex.ac.uk/about/jobs/lecturer-senior-lecturer-in-mathematics-2268>

<http://www.jobs.ac.uk/job/BCQ418/lecturer-senior-lecturer-or-reader-in-mathematics/>

Il profilo è:

Applications are invited from all areas of mathematics strengthening and complementing the Department's research portfolio. Applications are particularly welcome from probability and statistics including, for example, mathematical statistics, rigorous data science, stochastic analysis, processes in random environments, and probabilistic modelling.

Il bando contiene poi i link a "job description" e "person specification".

Deadline: Aug. 10, 2017

Grazie per l'attenzione e cordiali saluti,

Enrico Scalas
Professor of Statistics and Probability
Head of Department, Mathematics
University of Sussex, UK
