

Tenure track position here at NTNU in Trondheim.

Applicants should not be older than 40 years (compensation for broken careers) working in pure mathematics (widely interpreted), and the contract will be for up to 6 years. During this period one will be considered for tenure.

Successful candidates will be given funds to support 1 post doc and 2 PhD positions!

See <http://bfstiftelse.no/wp-content/uploads/2016/12/CALL-Matematikk.pdf> for further information.

[Similar positions will be advertised in Oslo and Bergen, but applications will be treated separately at the three universities.]

The math. dept. at NTNU is the largest in Norway, and is a very international department with more than 10 nationalities among the permanent faculty.

If you have candidates for a such a position, please **let**

me know by 20 Jan 2017, as the preparation of an application will require some time. Female candidates are especially encouraged to apply.

Regards
Helge
