

Subject: Tenure Track Position, Computational Mathematics

From: Ake Brannstrom <ake.brannstrom@umu.se>

Date: December 18, 2018

The Department of Mathematics and Mathematical Statistics, Umea University, Sweden, invites applications for a tenure-track position as Associate Senior Lecturer in Computational Mathematics.

The employment is limited to 5 years and consists of 4 years own research and 1 year teaching. The position is a "tenure-track" that makes it possible to develop and establish a long-term research. An Associate Senior Lecturer has the right, upon request, to be considered for promotion to Senior Lecturer.

The applicant should have a doctoral degree in Mathematics or

equivalent scientific competence. Priority will be given to candidates who have completed their doctoral degree or equivalent academic competence no more than five years before the deadline of the application period.

For more information and instructions on how to apply, see:
