

Subject: Postdoc position, Zaragoza

From: Juan J Mazo <juanjo@unizar.es>

Date: Thu, 18 Feb 2016 11:51:26 +0100 (CET)

We announce the opening of a Postdoctoral position in
The Nonlinear
and Statistical Physics Group at the University of
Zaragoza.

Candidate must show experience in theoretical and
computational work
and will be involved in the following research lines of the
group:

* Modeling friction at different scales

* Dynamics and structure of proteins: mesoscopic and
statistical
mechanics models for protein folding and binding

Interested candidates send a letter of interest and CV to
the
following e-mail: juanjo@unizar.es.

The selection process continue until the position is filled.

Thank you,

Juan J. Mazo

University of Zaragoza (Spain)
