

ADVERTISEMENT FOR STUDENTS

*Rome-Moscow School of Matrix Methods
and Applied Linear Algebra*

September 3 - September 17, 2011,

Lomonosov Moscow State University,
Institute of Numerical Mathematics - Russian Academy of
Sciences (INM-RAS)

September 18 - October 2, 2011,

University of Rome "Tor Vergata", Department of Mathematics

Supporters

Lomonosov Moscow State University, University of Rome "Tor Vergata", and, for the Moscow part, INM-RAS, and, for the Rome part, Istituto Nazionale di Alta Matematica, Gruppo Nazionale per il Calcolo Scientifico

Lecturers

Besides the main Lecturers of the school of 2010 (Prof. Ikramov, Tyrtysnikov, Bertaccini, Di Fiore, Zellini), Lecturers of the school of 2011 will be Prof. Yuri Vassilevski from INM-RAS (in Moscow), Prof. Maxim Olshanskii from Lomonosov University (in Moscow), Prof. Dario Fasino from the University of Udine (both in Moscow and in Rome), Prof. S. A. Goreinov (Russia, Moscow, INM RAS), Prof. B. Khoromskij (Germany, Leipzig, MIS MPG).

Applications

Same rules as for the school of 2010. In particular, Italian students should submit application to the e-mail address difiore@mat.uniroma2.it, Russian students to tee@bach.inm.ras.ru, and students from other countries to both, following the instructions in www.mat.uniroma2.it/~tvmsscho

Deadline

Applications should be preferably submitted within Tuesday, April 26, 2011, and **not later than** May 16, 2011.

Updated information on the school

See www.mat.uniroma2.it/~tvmsscho

Rome, March 2011

The professors organizers of the School,
Prof. Carmine Di Fiore and Prof. Eugene E. Tyrtysnikov
