

# PhD call IMT LUCCA

I.M.T. Lucca offers a PhD program in Economics, Analytics and Decision Sciences ([EADS](#)) . The program trains students to do cutting-edge research in various economic and social disciplines with a multidisciplinary approach based on statistics and data science. IMT is a highest-rated graduate school in Europe and offers full funding, free accommodation, meals, and full access to the campus to its students. Opportunities for joint supervision and studying abroad are also available. All candidates with training in areas such as economics, management, statistics, law, physics, computer science, engineering, logic and philosophy of science, mathematics, cognitive and behavioral sciences are welcome to apply.

**Deadline: June 19, 2023**
