

Assistant position (PostDoc) for 3 years
"Wissenschaftliche Mitarbeiterin /
Wissenschaftlicher Mitarbeiter (m/w/d)"

At the Universität Augsburg, Chair of
Nonlinear Analysis, in the area of
stochastic partial differential
equations, stochastic analysis,
stochastic dynamical systems, or related
fields.

Scheduled to start on April 1, 2020 until
March 31, 2023

For the official advertisement (in German
only) see:

<https://www.uni-augsburg.de/de/jobs-und-karriere/stellenangebote/2019/11/25/1070/>

Please send your application including a
full CV, a short description of
your research interests and a list of
publications

(either in German or English)
via e-mail preferably in a single pdf
file to:

dirk.bloemker@math.uni-augsburg.de

For questions regarding the position or
the research group at the Chair
of Nonlinear Analysis, please contact
directly Prof. Dr. Dirk Blömker

(dirk.bloemker@math.uni-augsburg.de)

Deadline: Januar 6, 2020

Requirements: PhD in Mathematics

Workload: 100% position

salary: E13 TV-L

teaching duties: 5 hours per week during
term time
