

Tenure-Track Assistant Professor in Mathematical Analysis - Bocconi University, Milan

The Department of Decision Sciences of Bocconi University in Milan, invites applications for a tenure-track Assistant Professor in Analysis, in the general areas of calculus of variations, partial differential equations, and their applications.

The appointment will commence in Fall 2020. Applicants should have, or be close to completing, a Ph.D. and show high potential in research.

The successful candidates will be expected to develop a strong publication record, broadly contribute to the academic life of the department and be effective teachers both at the undergraduate and graduate level, in particular for the new BSc program in Mathematical and Computing Sciences for Artificial Intelligence

Compensation and teaching load will be competitive with other top European Schools.

Further details on the position may be requested from
faculty@unibocconi.it

Applications must be submitted online at

www.unibocconi.eu/jobmarket

Deadline: Saturday, Feb 29, 2020
