

**** Assistant (PostDoc) Position, TU Graz ****

Open Assistant position (PostDoc) for 1 year

Graz University of Technology, Austria
Institute of Discrete Mathematics

Working Groups Structure Theory and Stochastics
& Noncommutative Structures
(Wolfgang Woess & Franz Lehner)

Scheduled to start on September 15, 2021.

Requirements: PhD in Mathematics or Technical
Mathematics,
awarded before the beginning of the engagement.

Desired qualifications: scientific interest in the fields
of Stochastic Processes (random walks), Graph
Theory,
Geometric Group Theory and Noncommutative
Probability,

possibly combining those topics. Readiness to collaborate in research projects in these areas.

Workload 40 hours/week.

Collaboration in the teaching and examination activities of the institute is required, in particular for Mathematics in the Engineering sciences, in German (!).

Application deadline: August 4, 2021.
