Subject: Research Associate Position, Univ of Houston

From: Annalisa Quaini <quaini@math.uh.edu>

Date: November 16, 2016

The Mathematics Department in the College of Natural Sciences and
Mathematics at the University of Houston expects to hire Research
Associate 1 effective January 1, 2017 or September 1 2017. The
position will be for two years, with the possibility of a one-year
renewal. The successful applicant will conduct research in an area
compatible with the research interests of the
Mathematics Department.
For this position we are especially interested in computational
mathematics, mathematical medicine, mathematical biology or related
areas. In addition the successful applicant may teach up to one course
per semester. Minimum Qualifications: Ph.D. Degree with 2 years

experience.

The screening of the applicants will start as soon as possible and the
search will continue until the position is filled. The University of
Houston one of the most diverse research universities in the
nation. It is an Equal Opportunity/Affirmative Action employer.
Minorities, women, veterans and persons with disabilities are
encouraged to apply. The University of Houston is a Tobacco free
campus.
