Subject: Asst/Assoc Professor Position, Applied Math/ Stats, UMass Lowell

From: Min Hyung Cho <minhyung_cho@uml.edu>

Date: September 06, 2016

The Mathematical Sciences Department at the University of Massachusetts Lowell invites applications for one or more full-time tenure- track faculty positions at the rank of Assistant Professor or Associate Professor to start on September 1, 2017. Preference will be given to statisticians and applied mathematicians with an established research record. Successful candidates will be expected to initiate and participate in funded research programs and to contribute to the department's teaching mission. The University of Massachusetts Lowell is committed to increasing diversity in its faculty, staff, and student populations, as well as curriculum and support

programs, while

promoting an inclusive environment. We seek candidates who can

contribute to that goal and encourage you to apply and to identify

your strengths in this area. Minimum Qualifications: An earned

Doctorate in Mathematics or a related discipline; A record of quality

research; The ability to work effectively with diverse groups; Three

letters of reference will be required (Email addresses of three

references will be required during the application process) Review of

applications will begin immediately and continue until the position is

filled. However, the position may close when an adequate number of

qualified applications is received. For full job details and to apply,
