

Subject: Lecturer Position, Applied Math, Macquarie Univ (Sydney)

From: Jim Denier <[jim.denier@mq.edu.au](mailto:jim.denier@mq.edu.au)>

Date: February 01, 2016

The Department of Mathematics is looking to appoint an outstanding applied mathematician whose research involves mathematical modelling with applications in science, engineering, the technological, biological or medical sciences. Applicants with research interests in asymptotic analysis, control theory, dynamical systems, fluid mechanics, numerical analysis/scientific computing and waves are particular encouraged.

For full details on the position, and how to apply, please see the Macquarie University jobs website
