Subject: PH.D. Positions New Jersey Institute of Technology
From: Roy Goodman <goodman@njit.edu>
Date: Tue, 31 Oct 2017 12:25:50 -0400

Dear Students and Colleagues,

The Department of Mathematical Sciences at New Jersey Institute of Technology (NJIT) is inviting candidates to apply to one of our doctoral program tracks: (1) Applied Mathematics or (2) Applied Probability & Statistics.

The Department's research focus spans Fluid Dynamics, Materials Science, Wave Propagation, Scientific Computing, Applied Analysis, Mathematical Biology, and Applied Probability & Statistics, including Biostatistics.

Teaching and research assistantships are available, and

include a
tuition waiver and a competitive stipend.

Application target date is December 15, 2017 but ongoing
review will
continue until all available positions are filled.

To apply, please visit our homepage:
https://goo.gl/6MLhRt

For more information, please email us (math@njit.edu,
CC to:
matveev@njit.edu, rmoore@njit.edu).

PhD Program advertisement flyer is available at
http://web.njit.edu/~matveev/
