

Subject: Postdoc Position, Fluid Dynamics
From: Shahriar Afkhami <shahriar.afkhami@njit.edu>
Date: January 20, 2016

Postdoctoral Position Available for September 1, 2016
Hire:

Posting Number: 0603145

The Department of Mathematical Sciences at the New Jersey Institute of Technology seeks to fill a one year postdoctoral research associate position starting in the Fall of 2016 (one year renewal is possible by mutual agreement). Candidates with research focus on mathematics applied to problems in the general area of fluid dynamics are encouraged to apply.

The successful applicant will be encouraged to seek collaborations with faculty members in the fluids group. Besides

research, teaching
one course per semester may be an option depending
on individual
interest and/or departmental budget.

Applicants should have a Ph.D. with strong research
experiences in
fluid dynamics and good communication skills.

At the university's discretion, the education and
experience
prerequisites may be excepted where the candidate can
demonstrate to
the satisfaction of the university, an equivalent
combination of
education and experience specifically preparing the
candidate for
success in the position.

To apply, visit <https://njit.jobs>, posting number
0603145, and submit
online (1) a cover letter, (2) a CV, and (3) a research
statement. In
addition, three reference letters are required. Reference
letter

writers should email their letters to ejallali@njit.edu.

Review of

applications will begin immediately and continue until the position is filled.
