

Subject: Professor Position, Applied Analysis, Univ
Osnabrueck

From: Stefan Kunis <stefan.kunis@math.uos.de>

Date: May 04, 2017

The Institute of Mathematics at the University of
Osnabrueck invites
applications for a

Professorship of Applied Analysis (W3)

to take up appointment on 1st April 2018. The successful
applicant is
expected to represent this field in both research and
teaching.

Cooperation with the existing research groups of the
institute of
mathematics as well as experience in externally funded
research
projects is expected.

Please send your application (preferably in electronic
version as one

PDF-file) to the Dean of the Faculty of Mathematics/

Computer Science
of the University of Osnabrueck, [dekan-fb06@uni-
osnabrueck.de](mailto:dekan-fb06@uni-osnabrueck.de), by June
5th, 2017.
