

**\*\* PhD positions at Department of Mathematics,  
University of Trento \*\***

The Department of Mathematics at the University of Trento has an open call for PhD positions.

In particular, there are 2 PhD positions available at the Mathematical Statistics and Data Science group, starting on 1 November 2021:

Project A: Modelling dynamic networks with differential equations  
(supervised by Veronica Vinciotti, jointly with Ernst Wit at the University of Lugano)

Project B: Mathematics of Reinforcement Learning  
(supervised by Claudio Agostinelli and Luigi Amedeo Bianchi)

A description of the projects can be found here:
