

**** Ph.D Positions at Ulm University in Mathematical Statistics, Mathematical Finance and Data Science ****

A call for Ph.D. positions (Akademische Mitarbeiter) is open at Ulm University in the area of Mathematical Statistics, Mathematical Finance, and Data Science.

During the Ph.D. studies is possible to take part in the project "PAC Bayesian bounds for light cone, neighborhood, and trajectories data", a new investigation on the generalization performance of linear regression applied to spatio-temporal data sets, led by PD Dr. Imma Curato, or to work within the research group of Prof. Dr. Stelzer.

The deadline is December 19th. For more information on the position and how to apply please write to imma.curato@uni-ulm.de
